Consumer Advisory: Thoroughly cooking foods of animal origin such as beef, eggs, fish, lamb, pork, poultry or shellfish reduces the risk of food-borne illness. Individuals with certain health conditions may be at high risk if these foods are consumed raw or under cooked. Contact your physician or local health department for more information. Allergic Reaction Advisory: All ingredients are not listed in this menu. Please take caution when ordering. Wisconsin Food Safety Agencies advise that eating raw or undercooked meat, poultry, eggs, or seafood poses a health risk to everyone, but especially to the elderly, young children under age four (4), pregnant women, and other highly susceptible individuals with compromised immune systems. Thorough cooking of such animal foods reduces the risk of illness. For further information, contact your physician or public health department.
